

## Open Forum Meeting 27<sup>th</sup> April

*We mentioned in the previous Newsletter that we were likely to hold a public meeting to enable everyone to come and hear what is going to happen next*

*Shortly you will start seeing posters about a meeting on the 27<sup>th</sup> April. The meeting will include time for individuals to drop in (from 5:30pm) to ask questions about the project. At 7:30pm there will be a more formal presentation, with an open Q & A at the end.*

*Key objective for the meeting are:*

- to tell you what the plans are to raise the rest of the money and how you can help.*
- To outline the key stages and timetable to start building the new centre.*
- to hear from you how you want to use the centre, which will help inform the final detailed design stage.*

*Please come along to either the drop-in session or the presentation. If you cannot make the meeting drop us an email to [info.winspace@gmail.com](mailto:info.winspace@gmail.com) if you would like to ask any questions about our planning permission or you think you can help us raise the funds we need.*

Pet Classes - Meetings - Dance Classes - Social Clubs - Art Classes
