The Lego Pieces Challenge Results.

At the Coronation Celebration Event on the 6th May we had a challenge for you to take part in

Coronation Celebration Competition - 6 May

Visit our stall at the afternoon Coronation celebrations on the field. We have a Lego model of the new building. Imagine yourself using the Centre and guess how many bricks have been used in the model.

There's a free bag of sweets for everyone who provides an estimate and a £50 prize donated by Chew Valley Gas & Oil Ltd

The results are now in and we can let everyone know that in total there was:

Red 329 Bricks, Blue 190 Bricks, Black 162 Bricks, White 77 Bricks, Grey 78 Bricks, Yellow 180 Bricks and finally 100 miscellaneous pieces. This can to a total 1116 pieces

We now have a winner who goes under the initials AC who lives in Winscombe. They estimated 1160 pieces which was the closest by far. Congratulations to AC for winning the £50 prize and our thanks to everyone who took part in the challenge.

Our next challenge is raising the fund to allow us to build the New Community Centre

Please come along to the Winscombe Community Association Annual General Meeting and get first hand where we are in the project. Hear how much we have raised and our plans for the next year. The AGM is on the 15th June at 7:30pm Tea, Coffee and a glass of wine will be provided

Issued by the WiNSpace committee and WCA Trustees
