## WiNSpace FUNDRAISING LAUNCH

**The Winscombe Community Association now need your help to 'Make it Happen'**

On the 9th September we are launching our Fundraising Campaign at the Village Show. We are working with Grant providers to secure grant funding as well as looking for £300k from donations from businesses and the local communities. This together with local and national grants will enable us to begin Phase 1 of a £2+ million project for a new multi-functional Centre. People attending the Show will be able to donate electronically, and other donation methods are available on our website.

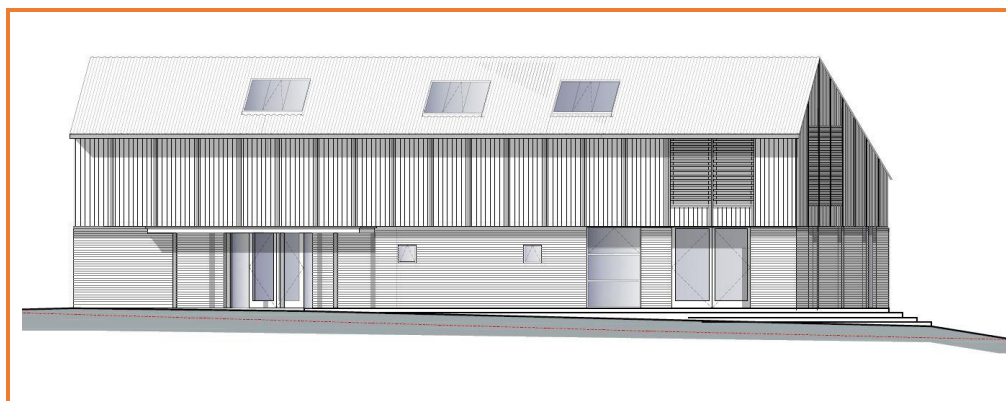

Full Planning permission was granted in 2022 and since then we have been busy applying for grants, talking with local businesses and getting local support. To date we have raised £1.3 million in pledges and donations and this final £300k together with the national grants will mean the project can get started in the Summer of 2024.

The current Centre provides facilities for all ages, including the youth club, brownies, art, exercise classes, regular markets, village shows and clubs and societies, which will be lost to the community if nothing is done and in Phase 2 of the project this existing building will be fully renovated to provide a considerably upgraded youth centre.

For further information please visit the website [winspace.org.uk](https://winspace.org.uk) where you will also be able to donate.
